We are proud to present Honouring Eva's 2018 Annual Report. Most of all, we feel incredibly grateful for all donations we again received this year. Touched by the generosity of the donors and by the reactions of the students able to start or continue the training due to these financial heroes!

2018 has been an amazingly busy year with the raffle and International Core Convention. At the start of 2019 we took some quiet time. Coupled with some changes in our Committee we feel ready to make new steps in our journey. And we love sharing them with you in this report!

With love,

Changes in the Committee in 2019

This is a year of changes in composition of the Committee. With deep gratitude for their contribution we said 'farewell' to Sandra and Marcel. Sandra has been our chairwoman for the past two years and Marcel has supported the Foundation in multiple ways, especially in his great contribution to previous year's raffle.

And we say 'hello' to our new fresh members Riet and Corinne. Both enthusiastically jumped into our Committee, with a particular vibe for expanding the Fund-raising together with Cees. Out of their inspiration and energy this year's auction has arisen.
